SPEIDERFJELLET KINDERGARDEN

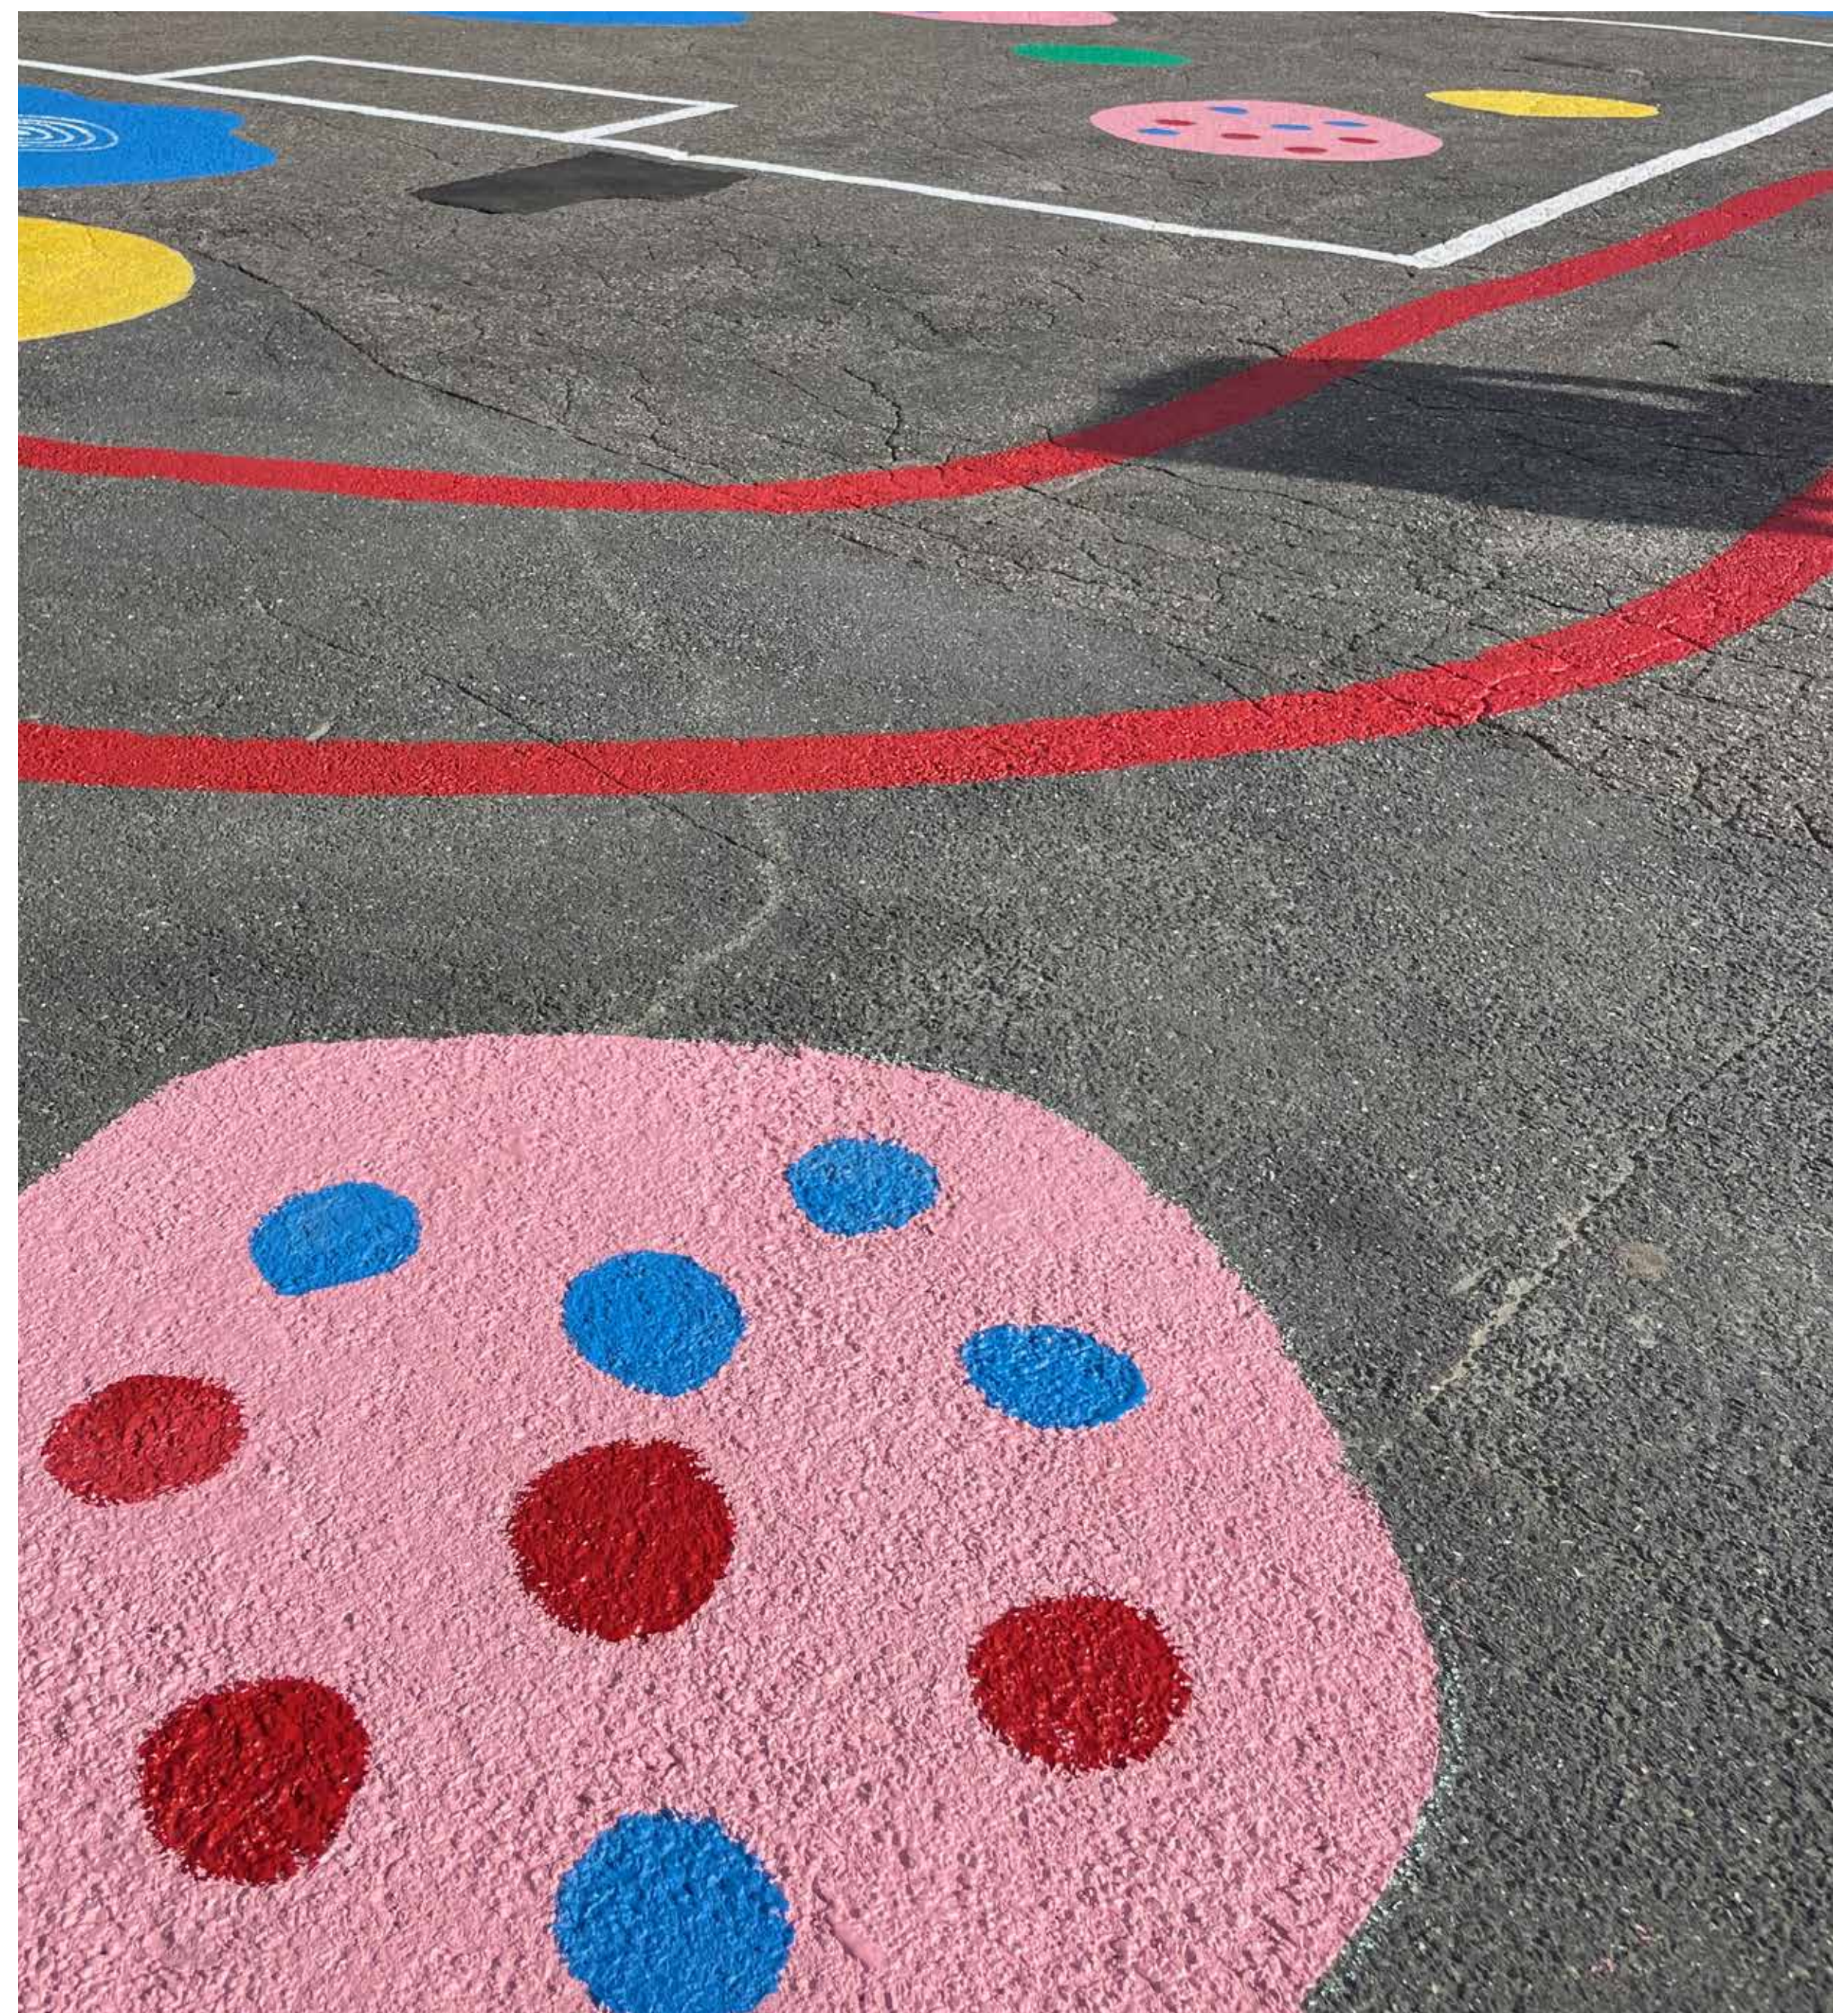

SPEIDERFJELLET KINDERGARDEN

At Speiderfjellet Kindergarten, I transformed the outdoor space with vibrant asphalt paint, creating a colorful and imaginative environment. The children now have a bike path, hopscotch a football field, and plenty of areas for free play, encouraging creativity and exploration.

This budget-friendly makeover brought new life to the playground, giving the kids a fun and dynamic space to enjoy.

THE PROCESS
